Please identify the puppy raising program you are applying for:

Traditional Puppy Raiser
individual or family looking to foster a
4 Paws' dog in their home.

University Puppy Raiser enrolled in a
college degree program living on or
off campus.

University:

4 Paws offers a variety of ways that you can assist with the puppy raising process. One or more may fit into your interests and needs as a volunteer, and not all options will be available at all times. You may select more than one puppy raising option that you are interested in and 4 Paws will work with you to find the right fit!

Complete Experience Puppy Raiser

Raise a puppy from start to advanced training

Greatest Need

Puppy Raiser

- Puppy will be 8-12 weeks old at pick up
- Focus on introductory obedience and socialization
- Raise puppy from start to finish, when puppy returns for advanced training
- Could be 7-12 (average) months in your home

Partial Experience Puppy Raiser

Options for a few months at a time or more

Puppy Starter

- Puppy will be 8-12 weeks old at pick up
- Focus on early foundation for obedience and socialization
- Work with puppy from start
- Flexible length of time, based on puppy needs

Helping Hand Puppy Raiser

Short term, flexible time to assist with puppy raising

Puppy Sitter

- Puppy will be 8+ weeks old
- Assist with temporary boarding needs
- Flexible length of time, days to weeks

Evening and Weekend Advanced Sitter

- Puppy will be in advanced training (9+ months)
- Pick up after 5pm M-F
- Drop off by 8:30am M-F
- Weekend at your home

Weekend Advanced Sitter

- Puppy will be in advanced training (9+ months)
- Pick up Friday after 5pm
- Drop off by Monday 8:30am

Puppy Post-Starter

- Puppy will be 4-5 months old at pick up
- Focus on continuing early obedience and socialization
- Work with puppy after foundation is established
- Flexible length of time, based on puppy needs

Puppy Finisher

- Puppy will likely be 9+ months at pick up
- Focus on trainer specific goals, following an evaluation of skills and strengths, along with socialization and obedience
- Work with puppy who has specific task to improve upon
- Flexible length of time, based on puppy needs
